

Visitor Pass order form

EFM exhibitors (with a stand, office or suite) may purchase a limited number of transferable visitor passes (depending on stand size). This pass grants access exclusively to external visitors without access authorisation (market badge, other access eligibility) who need to enter the Gropius Bau, Gropius Park or Marriott Hotel to visit the exhibitor's respective stand or office for previously arranged business meetings.

Price: 110 € net/visitor pass

Entrance via guest list

No physical badge will be issued. Each visitor pass entitles to a total number of 5 entries/day that need to be communicated prior to the meeting to the respective email address below.

Pass holders do not need to meet their visitors at the building's entrance but visitors may access independently after EFM staff has checked their name on the visitor guest list.

Visitors will need to follow the EFM Covid-19 entry regulations as do all accredited visitors. They should thus allow some time to follow procedures prior to their meeting.
