

EUROPEAN FILM MARKET 2021

1-5 MAR 2021

HOW TO WATCH EFM SCREENINGS

Step 1: Log into your personal EFM My Account on our [website](#).

Step 2: Set up your time zone.

Step 3: Go to screenings & events > [screenings schedule](#),

All screenings are accessible within two hours after starting time.

The following options can be displayed. A lock item always means: You do not have access (and may request to get access, if the rights owner activated this option).

A. The participant has the rights to view a screening, but the screening didn't start yet. (Watch at specific timeslot within 120 minutes from starting time.)

Synopsis  |  Watch Trailer |  Watch Screening

B. The participant has the rights to view a screening and the screening is now accessible.

C. The participant cannot view a screening, but may request access from the rights owner.

Synopsis  |  Watch Trailer |  Watch Screening 

D. The participant cannot view a screening. A request has been sent and is pending.

 Watch Screening 

A lock item always means that the access is currently not granted.

E. The participant cannot view a screening, the rights owner doesn't allow requests.
