

# Devilworks drops Official Trailer & Poster for 'Valley Of The Sasquatch'

The Genre specialists have boarded The October People's bigfoot horror 'Valley Of The Sasquatch' directed by John Portanova for International distribution.

Devilworks have revealed the new trailer and poster for the creature feature, which they will start to sell at the upcoming **EFM market in Berlin**...check the buzz online at **ShockTillYouDrop** , **Joblo**, **BloodyDisgusting** and **SciFiNow UK!**

The October People's previous work includes 'The Invoking' and 'The Device'.

The film's cast includes David Saucedo (Paranormal Activity: The Marked Ones), Bill Oberst Jr. (Resolution), Jason Vail (Abraham Lincoln vs. Zombies), D'Angelo Midili (The Invoking), and Miles Joris-Peyrafitte (Gut).

Reviewed by Fangoria as "Intense, Scary & Beautiful", The film won Best Horror Feature at the Toronto Independent and Idaho Horror Film Festivals and Best Cinematography at the Horrible Imaginings and Crimson Screen Film Festivals after screening at Festivals such as Seattle Int'l, Buffalo Dreams Fantastic, Nevermore, Another Hole in the Head, Spooky Movie Horror and Macabre Film Faire - to name a few.

The film tells the story of a father and son who are forced to move to an old cabin in the woods after a devastating tragedy. The forest unearths a tribe of Sasquatch who are determined to protect their land.

Devilworks are known for 2015 Supernatural favourite '**Some Kind Of Hate**' from director Adam Egypt Mortimer, Clever Sci Fi Thriller '**Time Lapse**', funky retro slasher '**Discopath**' and Arctic Chiller '**Black Mountain Side**'.
